**HAMPTON INN BWI AIRPORT ANNOUNCES  
CLOUD NINE BEDDING**

BALTIMORE, MD – May 10, 2006

The Hampton Inn BWI Airport located at 829 Elkridge Landing in the hotel district proudly announces that it has completed its transition to the Cloud Nine bedding experience by Hampton in each of its 182 guest rooms.

The new bed represents the next phase of the Make It Hampton® initiative, which since January 2004 has introduced new products and services ranging from a new complimentary On the House™ hot breakfast and On the Run™ breakfast bags, Purity Basics® bath products and a curved shower rod, complimentary high-speed Internet access and the industry's easiest-to-set alarm clock/radio.

The new Cloud Nine bed does away with the old-fashioned bedspread, featuring instead a crisp, white duvet cover, enveloping a lofty white comforter. The white sheets are 200-thread count with a fitted bottom sheet. The bed features three or four pillows (depending on room type) providing consumers a choice in firmness (some filled with soft down, some with firmer foam), a lumbar pillow in a soothing color that provides guests back support if they choose to read, watch television or enjoy the Hampton lap desk and work wirelessly while resting in bed.

General Manager, Rick Homonai, remarked, "The feedback that we've gotten from the guests has been overwhelmingly positive. It was one of the best investments the hotel has made as part of the Make It Hampton initiative."

"The Hampton Inn at the BWI Airport has so many great selling features and value added-services that the addition of Cloud Nine makes us the preferred hotel in the airport area," stated Director of Sales, Lisa Ackermann.
